All disputes shall lie in the jurisdiction of District Gurugram/Palwal (Haryana).

Chancellor

Shri Bandaru Dattatreya
Hon'ble Governor of Haryana

Message

Shri Raj Nehru
Vice Chancellor
Shri Vishwakarma Skill University

I cordially welcome you to India's very first Skill University – Shri Vishwakarma Skill University.

Established by the Government of Haryana in 2016 at Dudhola village in Palwal district, Shri Vishwakarma Skill University has emerged as the cynosure of skill education. Guided by the ethics of scholarly excellence, skill dynamics, innovation in academics, and student success, the university has erected an infrastructure of skill education from 9th class to Ph. D. degree ensuring a diverse spectrum of skilled community.

The university offers a range of comprehensive NSQF aligned programs, designed after rigorous research and discourse with industry partners and other stakeholders to ensure that the students are equipped with the skills sought by the industries and organizations. To facilitate the identification and learning of critical skills, the university has adopted a unique dual education model where 60% of the time, students remain on the OJT under the supervision of industry mentors where they learn diverse critical skills through observation, analysis, operation, participation and management. Furthermore, the university has prepared a state-of-the-art infrastructure that houses library, market, gymnasium, swimming pool, hostels, the Centre of Excellence, Labs, workshops, health center and other facilities.

Besides the architectural infrastructure of the university that is a treat for the eyes, the highly qualified staff members, effective and responsive administrative set up, amicable academic environment, MoUs with leading industry partners, the university has garnered a great reputation in the academic-skill ecosystem as an institute that offers ample avenues for holistic development of the students' personality. The teaching faculty constantly gets training of the modern technical tools and latest research-based innovative pedagogical methods/approaches to facilitate the learning/skilling of every student in the class.

The university comes with compact, cohesive and visionary academic and extracurricular events and activities to facilitate relentless learning and rounded development of the students and the staff alike. For a balanced growth and commitment to give back to society, students get avenues of learning through various services of volunteer-ship conducive to exploration of responsibilities toward self, society and nation.

A vital goal of the teaching at Shri Vishwakarma Skill University is the emphasis on 'Entrepreneurship and Skills of Tomorrow'. SVSU operates in an atmosphere of genuine openness to knowledge attainment that cultivates the talents of scholars and creates a culture that builds the community from within. The efforts to collaborate, promote student agency and well-being, and interdisciplinary research are constantly reviewed and reinvigorated.

With New Education Policy recommendations, the university aims to raise the skill education system to global levels with a zeal to universalize education and make the Indian youth job-ready not only in India but abroad as well. We are looking forward to making India a "global knowledge superpower" through a system that is increasingly more holistic, flexible, and multi-disciplinary with four pillars of access, equity, quality and accountability.

I cordially invite all aspiring students who are interested in expanding their knowledge and enriching their careers to explore our university and join us for a life-changing academic experience.

Sh. Raj Nehru
Vice Chancellor
SVSU

Message

Prof. (Dr.) R. S. Rathore

Registrar
Shri Vishwakarma Skill University

Shri Vishwakarma Skill University (SVSU) is the first Government Skill University in the country offering various skill-based courses.

SVSU, which is coming up in Village Dudhola of Palwal District, is currently functioning from its transit campus at Gurugram. The University has come up with an innovative work-integrated, dual-education model. Under this model,

students are given on-the-job training in the area of their study through various industrial associates. The University has developed a very strong bond with industries.

The appointment of Shri Raj Nehru, an eminent professional from the corporate world as the founder Vice Chancellor of the University, has further augmented academic excellence through Industrial expertise.

The University is offering variety of Courses at different skill levels. In a one-of-its-kind certificate programme, youth are being trained in the Haryanvi Folk art of Banchari. In addition, the University is offering industry integrated Diploma, Advance Diploma, Graduation, Post Graduate Diploma, and Post-Graduation Degree level programmes in subjects like Robotics, Mechatronics, HealthCare, Banking, etc.

All programmes of the University are as per the learning outcomes enumerated under the National Skills Qualification Framework (NSQF) for shifting 'Qualification-Based' learning to 'Skill-Based' learning.

With the Fourth Industrial Revolution round the corner, the University is working to preparing the youth to develop their potential to make India the skill capital of the world. The University is committed with its vision of becoming an internationally recognized skilling institution to enhance student employability and earning ability.

Prof. (Dr.) R. S. Rathore
Registrar
SVSU

Message

Prof. (Dr.) Jyoti Rana

Dean Academic Affairs
Shri Vishwakarma Skill University

Warm Greetings and Congratulations – Welcome to SVSU!

It is with great pleasure that I extend best wishes to you all on behalf of the entire SVSU community. It is our sincere hope that you and your family are well, and able to manage the evolving challenges in the time of pandemic.

As dean, I serve as a link between the university and society, as well as between colleges, faculty members, and students. It begins with the life of the student, continues with academic follow-up until the student graduates, and uses the knowledge and skills obtained during their academic education to contribute to building the country.

I look forward to ensuring excellence in all university procedures by following the highest standards and protocols in providing services. I seek to attract the best students and ensure to achieve transparency and justice among them throughout their academic careers so that they can effectively contribute to the university's mission of developing a skilled workforce that will serve as the backbone of the industrial society. This is an excellent time to begin your studies at SVSU! Whatever your area of skill, SVSU supports you in realising your goals. We bring a strong synergy of education, research and skill enhancement to the table. Our faculty are exemplary trainers, teachers, scholars and industry experts who bring expertise in a wide range of topical areas.

Our certificate, diploma and graduate programs thrive in a rich mix of resources within the colleges, the university and the community. Our community-engaged and industry-based focus pushes the boundaries by collaborating with a variety of corporate and industrial partners in Haryana and beyond to develop, execute, and assess the changes we want to see and be in our country and throughout the world.

SVSU's main objective is to equip students with world-class training facilities and the finest possibilities accessible in the market. With us, students will be able to match their educational and career goals by combining specific skills and internship experience in our programmes. We place a strong emphasis on both in-classroom and out-of-classroom activities that provide powerful and long-lasting knowledge, skill, and aptitude. We also value providing a personal touch in our student advising and mentoring so that we can help them thrive and grow intellectually while pursuing their graduate study or professional development goals.

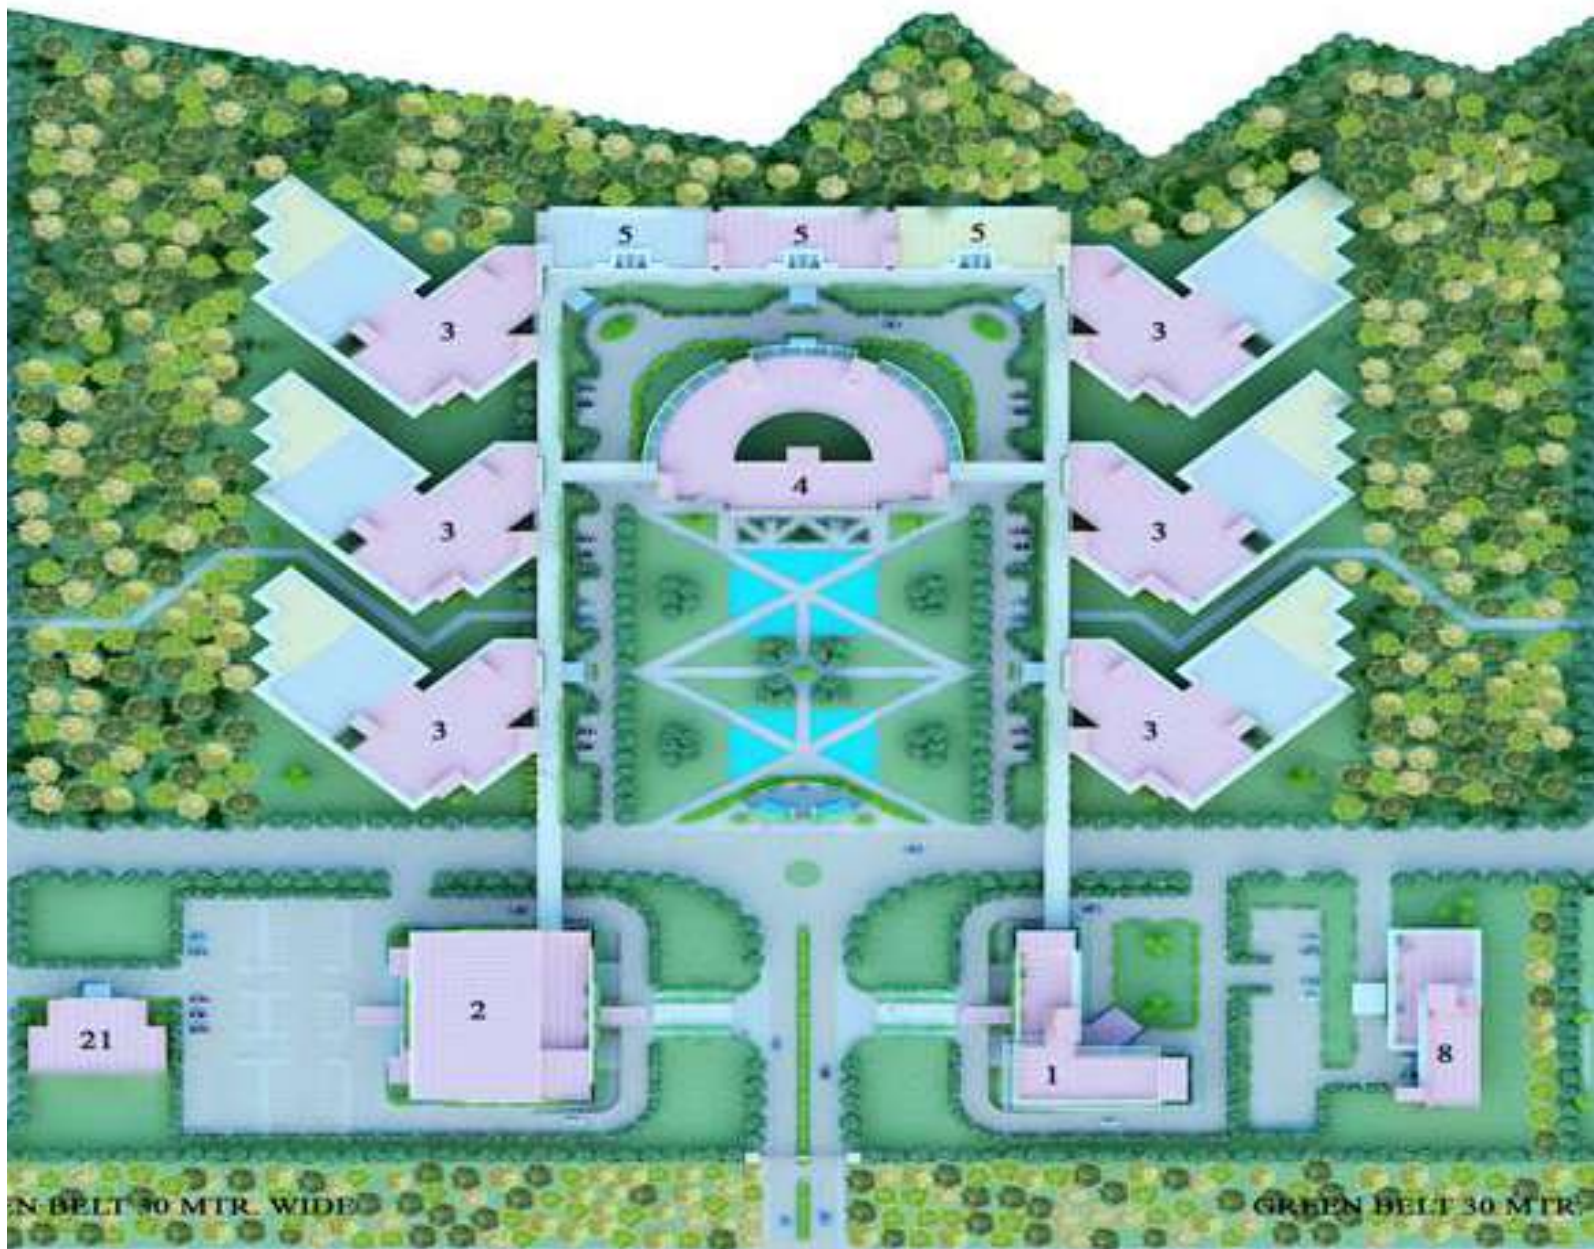

I, Dean of Academic Affairs, hope that during the years spend at SVSU; our students will have an enriching experience and leave us not just with knowledge and skills, but also as happy people.

Best Wishes!

Prof. (Dr.) Jyoti Rana
Dean Academic Affair
SVSU

Introduction

In tune with its vision of a skilled India, the Government of Haryana established the Shri Vishwakarma Skill University (SVSU), a first of its kind in India, in 2016 to be set up at village Dudhola in District Palwal, Haryana. The University is aimed at providing structured skill qualification programmes that are aligned with existing and emerging job roles in the industry and other sectors. These programmes are mapped with the National Skills Qualifications Framework (NSQF) that shall facilitate upward mobility of students from Certification to Doctoral level. The University is being built on 82.7 acres of land with state-of-the-art infrastructure at a project cost of about 980 Crores with the capacity to train 12,000 students per year as part of its master plan.

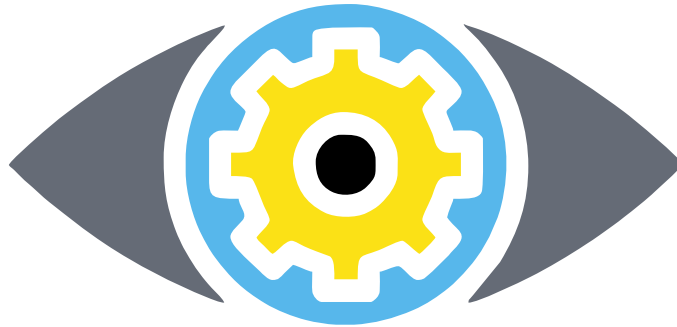

आ नो भद्राः क्रतवो यन्तु विश्वतः ।

हमारे लिए (नः) सभी ओर से (विश्वतः) कल्याणकारी (भद्राः) विचार (क्रतवः) आयें (आयन्तु)।

Let noble thoughts come to us from every side.

Vision

"To emerge as one of the foremost institution of quality in skill education acknowledge by industry, nationally and internationally."

"उद्योग जगत की आवश्यकता अनुसार राष्ट्रीय और अंतर्राष्ट्रीय स्तर पर कौशल शिक्षा के अग्रणी संस्थानों में स्थापित होना।"

Mission

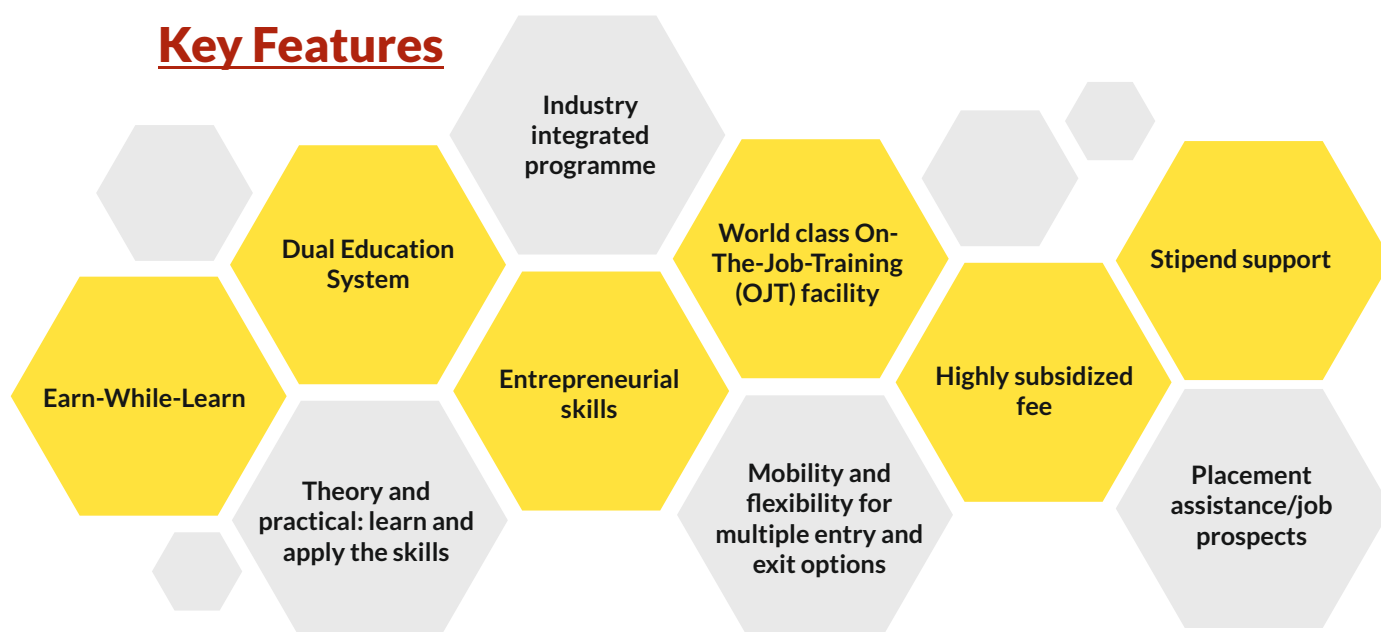

To focus on quality of Skill education, aspired by students and admired by Industry, Nationally and Internationally.

छात्रों द्वारा इच्छुक और उद्योग द्वारा प्रशंसित, राष्ट्रीय और अंतरराष्ट्रीय स्तर पर कौशल शिक्षा की गुणवत्ता पर ध्यान केंद्रित करना।

Values

- **Student-Centric Education:** by providing equal opportunities to all who have the potential to succeed. Ensuring innovative academic programming and an exceptional level of engagement between students, industry staff and faculty so that all students acquire skills essential for purposeful and productive living
- **Knowledge Application:** by applying all learning into practice and practicing to perfection with passion, purpose and commitment to the pursuit and development of skills, knowledge and sense of citizenship.
- **Integrity and Ethical Behavior in All Actions:** by consistently making a personal choice to be ethical, honest and with moral correctness without being supervised.
- **Leading through Innovation and Inclusivity:** by improving the world around us through disruptive thinking and innovative solutions; embracing and acting with responsibility to assure diversity and equity where all individuals are valued and respected.
- **Learning and Growth:** by serving as a catalyst for positive change in Haryana and beyond to empower, enable and inspire the youth with 'earn while you learn' model.
- **Industry as Key Partner to Create Impact:** by creating sustainable partnerships with stakeholders driving the initiative to change the skilling landscape and fostering trust and appreciation in the working model to harness opportunities to full potential.
- **New Age Technology:** by adopting and accepting the latest technological advancements which ensure highly evolved students, who are well-equipped with the future-oriented industrial know-how.
- **Giving Back to the Society:** by undertaking social and environmental responsibility conscientiously and imbibing sustainable practices to benefit and enhance the well-being of the society.

Key Features

Academic Structure

This university is classified into four Skill Faculties for coordinated teaching in particular and effective governance in general, namely:

- Skill Faculty of Engineering & Technology
- Skill Faculty of Management Studies and Research
- Skill Faculty of Applied Sciences and Humanities
- Skill Faculty of Agriculture

SKILL FACULTY OF ENGINEERING AND TECHNOLOGY

The Skill Faculty offers Certificate/Diploma/Degree/PG level programmes in collaboration with the industry in sectors like Automobile, CS/IT, Construction, Textile and Apparel, and Green Jobs, conforming to NSQF levels L5 to L10.

The Skill Departments under this Faculty are:

- Skill Department of Automotive Studies
- Skill Department of Construction Management and Technology
- Skill Department of Green Technology
- Skill Department of CS/IT
- Skill Department of Industry 4.0
- Skill Department of Plastic Technology
- Skill Department of Textile and Apparel Design

SKILL FACULTY OF MANAGEMENT STUDIES AND RESEARCH

The Skill Faculty offers Certificate/Diploma/ B. Voc./BBA/M. Voc./MBA professional programmes in Business Management, Healthcare, Retail, Banking, Financial Services, Hospitality, Food Services & Business Analytics, etc.

The Skill Departments are:

- Skill Department of Banking and Finance
- Skill Department of Management Studies
- Skill Department of Tourism and Hospitality

SKILL FACULTY OF APPLIED SCIENCES AND HUMANITIES

The Skill Faculty offers Certificate/Diploma/Degree/PG level programmes in German Language, Music (Folk Art-Banchari), Medical Laboratory Technology, Public Health, Geo-informatics, Public Services, Yoga and Fitness.

The Skill Departments under this Faculty are:

- Skill Department of Language and Culture
- Skill Department of Life Sciences and Health Care
- Skill Department of Psychology and Behavioral Sciences
- Skill Department of Science and Computation
- Skill Department Security and Surveillance
- Skill Department of Sports and Yoga

SKILL FACULTY OF AGRICULTURE

Skill Faculty of Agriculture (SFA) is running B. Voc. (Agriculture) and M. Voc. (Agriculture). These are the specialised programme designed in the area of agriculture having allied activities. These programmes are a mix of farm and non-farm activities, agriculture extension, applications of technology and micro finance to create skilled manpower to cater the needs of various industries. In addition to this it has the capacity to create entrepreneurs interested in agriculture and allied areas. These programmes cover skilling of collectivization, organic farming, hydroponics, medicinal plants, bee keeping, livelihood, green house, natural farming, dairy analytics, application of GIS, spreadsheet modelling, research methodology, microfinance, micro insurance and agricultural extension modules. They bridge the gap requirement of skilled manpower in various sectors of agriculture.

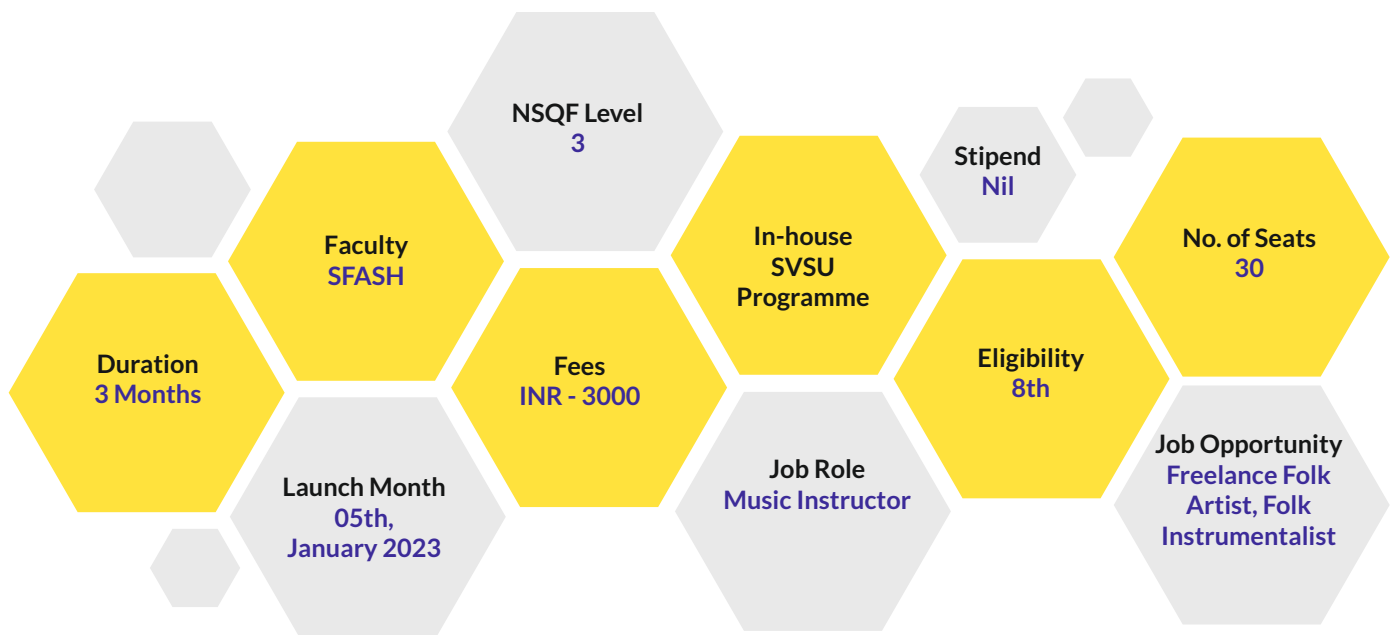

The Skill Department under this Faculty is:

- Skill Department of Agriculture

LIST OF SHORT TERM PROGRAMMES

Certificate in Music-Vocal

About the Programme -

A certificate in vocal music can help participants advance their career as a singer. Participants will gain an appreciation of music and self-expression through the art form. This course also teaches about the history and theory of singing. A certificate in vocal music from SVSU will give participants the confidence to start performing as an independent artist in public venues.

Programme Outcomes-

After completion of the programme candidates will be able to:

- Appreciate rich heritage and culture of Haryana.
- Learn the Sur and Taal and perform as an independent artist in public venues.

How to Apply-

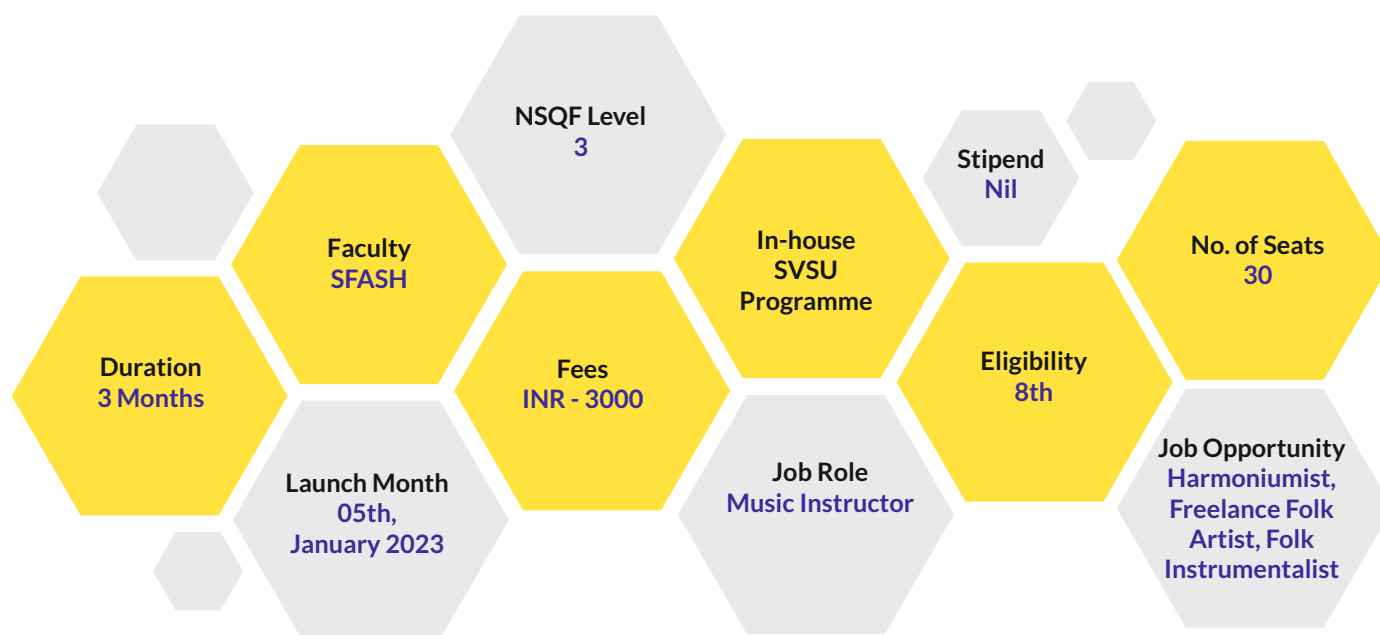

Apply online through application form available at <https://svsu.ac.in>

Programme Coordinator -

Dr Kalpana Maheshwari, Skill Assistant Professor

Contact Number - 9540351330

Certificate in Music Instrumental (Harmonium)

About the Programme -

It's no wonder we believe playing instruments is a unique talent. Learning how to play an instrument is like grasping how to work with the tools you have in your toolbox. Playing Harmonium not only rejuvenates mind but also improves concentration. Singers use it for background and supporting music also. SVSU is offering a three month course to learn the basics of Harmonium. The teaching-learning will involve theory and practical classes.

Programme Outcomes-

After completion of the Programme candidates will be able to learn the notes and chord and play Harmonium

How to Apply-

Apply online through application form available at <https://svsu.ac.in>

Trainer-

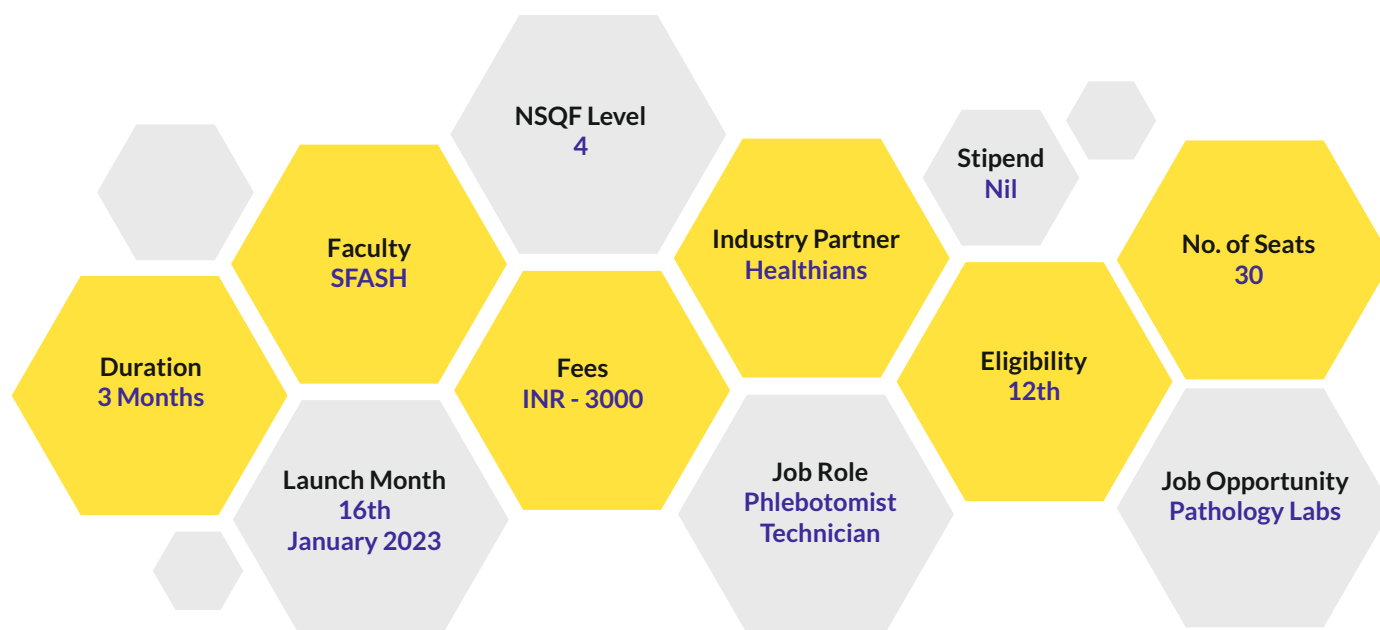

Dr Raj Kumar, Skill Instructor

Programme Coordinator-

Dr Kalpana Maheshwari, Skill Assistant Professor

Contact Number - 9540351330

Phlebotomist Technician

About the Programme -

The certificate course will cover the fundamentals of quality blood assessment and the documentation of the same. During course participants will learn patient preparation and how to collect the specimen from ill patients. The course will help the participants forge ahead in their career and become a valuable part of a medical team by providing an accurate and timely diagnosis.

Programme Outcomes-

After completion of programme candidate will be able to: Provide basic diagnostic services such as correctly collect, transport, receive, accept or reject and store blood /urine/stool and tissue samples. Demonstrate good communication, communicate accurately and appropriately in the role of Phlebotomist.

How to Apply-

Apply online through application form available at <https://svsu.ac.in>

CNC Programming and Soft Skills

About the Programme -

Department of Automotive Studies under Skill Faculty of Engineering and Technology has designed the customized certification programme in CNC Programming and Soft Skills for the employees of Roop Auto Pvt. Ltd. This programme train the employees on CNC simulator for skilling and up-skilling in the area of CNC programming which imparts practical skills through the training, an opportunity to learn basics of CNC Machines, Coordinate systems, CNC Part programming, soft skills in communication and correspondence.

Programme Outcomes-

After completion of programme candidate will be able to work on the Fundamentals of CNC machining operations: Familiarity with control panel keys, geometry & wear offsets, G & M codes, their use, sequence of programme, Job/tool holding methods. Tool Mounting. Hands on skill training of CNC Programming using CNC Machine/ Simulator: Prepare the basic programme and execution of various machining operations through canned cycle and preparatory & miscellaneous codes. Building and improving skills in communication, business correspondence and presentation

How to Apply-

Apply online through application form available at <https://svsu.ac.in>

Trainers-

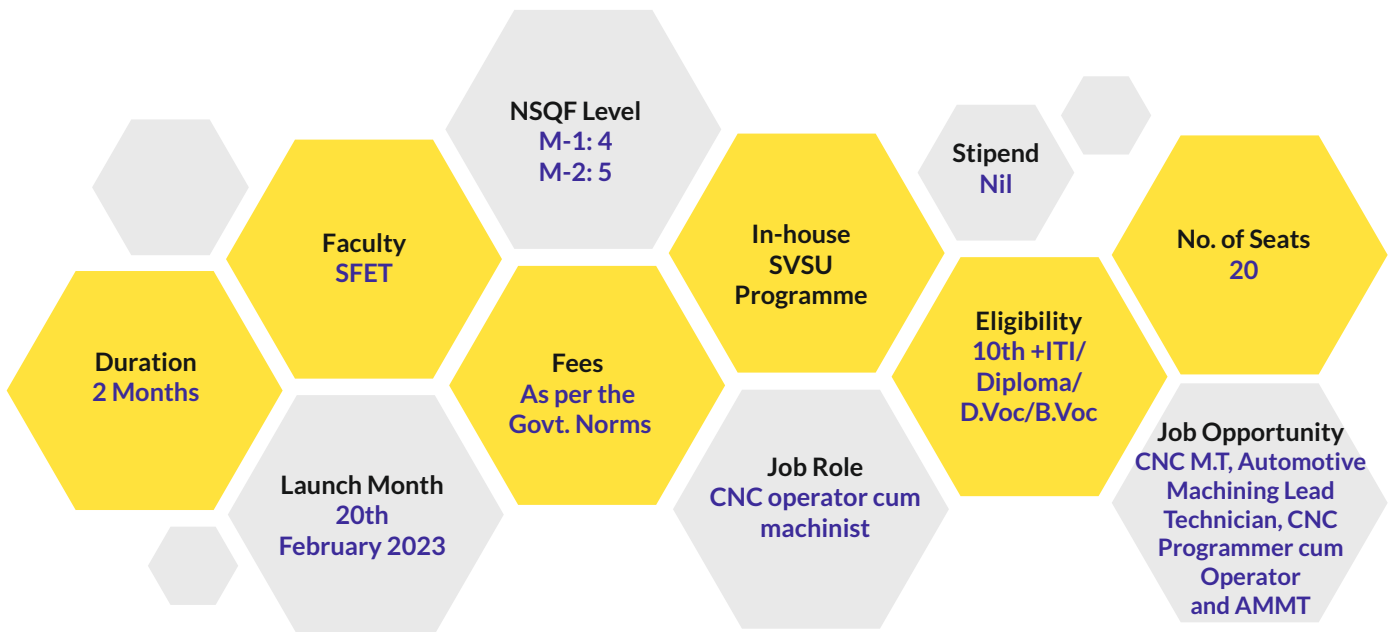

Mr. Durgesh Gupta/ Dr. Mani Kanwar Singh

Programme Coordinator -

Dr. Mani Kanwar Singh, Skill Assistant Professor

Contact Number - 9501590088

Module 1: CNC Part Programming and Simulations Module 2: CNC Programming and Machining

About the Programme -

In line with the existing and emerging needs of the Manufacturing Industry (Manufacturing Vision 2030), research and academics, the Department of Automotive Studies under Skill Faculty of Engineering and Technology has designed the Short Term Training Program (STTP) on Basics of CNC and CNC programming customized as per the requirement. STTP will be offered to the students completing/ pursuing ITI in relevant field and Diploma in Mechanical Engineering. STTP will train the students on CNC simulator for skilling and up-skilling in the area of CNC programming. This STTP imparts practical skills through the training and an opportunity to learn basics of CNC Machines, Coordinate systems and CNC Part programming.

Programme Outcomes (Module 1) -

- Understanding of the CNC Elements and Programming.
- Hands-on Training on Fanuc/Siemens Control Panels.
- Able to develop part programs for designed components, its execution and simulation for different operations on CNC Lathe Machine and Vertical Milling Machine.

Programme Outcomes (Module 2) -

- Understanding of the CNC machine parts and tool selection.
- Hands-on Training on key functions of Fanuc/ Siemens Control Panels on CNC turning VMC.
- Able to perform operations like OD/ID Turning, facing, drilling, thread cutting, pocket cutting, slotting etc on CNC Turning & VMC.
- Able to develop and execute part programs for operations on CNC Lathe Machine and Vertical Milling Machine.

How to Apply -

Apply online through application form available at <https://svsu.ac.in>

The company offers a full range of cars from the entry-level Maruti Alto to the stylish hatchbacks Ritz, A-star, Swift, Wagon R, and Estilo, sedans DZire and SX4 and, the sports utility vehicle, Grand Vitara. The company is a subsidiary of Suzuki Motor Corporation of Japan. The company is engaged in the business of manufacturing, purchase, and sale of motor vehicles and spare parts (automobiles). They have four plants, three located at Palam-Gurgaon Road, Gurgaon, Haryana, and one located at Manesar Industrial Town, Gurgaon, Haryana.

13 Shivansh Farming: Shivam Farming is basically deals with the dairy and organic fertilizer. This firm incorporated under the partnership Act, 1932 having its registered office at Jaipur Rajasthan. The dairy is developed for bottling and marketing of milk of cow of Gir Breed. The Dairy plant is located in an organic farm with facility to produce organic manure. This initiative started to identify nearly-free, high impact solutions for millions small-plot farmers around the world.

Most farmers in developing countries are caught in never-ending debt cycles from purchasing expensive farm inputs. Shivansh Farming techniques offer a clear path for farmers to quickly revive the natural fertility of their soil using only materials a farmer could easily access, such as leaves, animal manure, and water. Much of the work is inspired by ancient farming practices that sustained civilization for hundreds of generations. It's quite simple; healthy soil, grows strong plants. This was the focus of previous generations of farmers, and it remains the focus of the foundation's efforts today.

14 Mount Talent: Mount Talent Consulting (MTC) is the best recruitment agency in India. It is an ISO9001:2008 Certified Recruitment Company, a member of CII, NSDC, and is one of India's leading global HR recruitment agencies specializing in multiple facets of HR and Knowledge Services-Trainings, Assessments, & Consulting. They constantly pursue new ideas and embrace a culture of curiosity, agility and innovation. They deliver the greatest value by collaborating across services to create innovative, tailored solutions to resolve clients' complex challenges.

24 Jayem Industries: Jayem Auto Industries Pvt. Ltd. has metamorphosed from its humble beginnings as a gasket manufacturer to an avant-garde industrial enterprise offering Gaskets, Rubber Hoses & Moulded Components and Compressed Fiber Jointing Sheets for a host of Automotive and Industrial applications.

An ISO/TS: 16949 organization, Jayem is marked by its resolute drive to excel. Innovation, not just in process or technology but innovation of thought has made it a preferred partner and trusted supplier to leading Automotive giants and elite names in industries like Agriculture, Compressor, Earth Moving Equipment, Petrochemical and Engineering.

26 IIMBx: IIMBx's vision is to create a positive social impact by leveraging educational technology to create a world-class repository of digital courseware in management for learners across the globe. In the long run, IIMBx aims to be a thought leader and preferred digital hub for management education supporting managers, academics and institutions across Asia and Africa.

IIMBx, the digital learning initiative of IIMB, is founded on the philosophy that everyone – regardless of their financial, academic, or social backgrounds – should have access to high quality education. Led by IIMB's world class faculty, IIMBx started offering Massive Open Online Courses (MOOCs) in 2014 in partnership with edX – a not for profit online initiative of Harvard and MIT. Today IIMBx courses are available on multiple platforms including SWAYAM, the national learning portal of India, edX and IIMBx (openedX).

Our Alumni Says – Big Dreams Come True Here!!!

Mr. Gurmeet Singh:

My journey in SVSU has been full of varied yet rich experiences. My dream of getting into the corporate world could only be fulfilled with SVSU. The continuous practical exposure has helped me to enhance my personality and develop key soft skills like communication, leadership, confidence, decision making and an attitude to bring positive approach to challenges of life. I, a student of M.Voc. Banking & Finance got placed through campus placements, at the position of Business Development Associate with a CTC of 10 lacs per annum. I sincerely thank the University for giving me an opportunity to start my career with a globally-renowned company.

Mr. Vishal:

SVSU has given me a platform to enhance my personality. It has helped me to grow & achieve new heights in my career. I have always dreamt of working in a reputed MNC. Through SVSU Dual Industry Integration Model, I got the chance to do my On-job-training at Concentrix while pursuing B.Voc. in BPM & Analytics. With my hard work & support of my mentors I got selected by Concentrix as Senior Representative, HR. I am blessed to have been placed at one of the biggest avenues of the industry. I am really grateful to the University who have given me an opportunity to make my dream a reality.

Ms. Manjeet Kumari:

SVSU has a team of excellent faculties who had always guided me not only as a teacher but as true mentors. While I was pursuing PG Diploma in Public Health, I got placed through the campus interview for the position of Project Coordinator at Brand Mantra Delhi but I decided to pursue higher education from the University and I am currently pursuing M.Voc. in Public health. I enhanced my skillsets, developed critical thinking ability and learned novel ways to approach problem-solving.

Ms. Bhagya Shree:

To support my family financially and at the same to enhance my own skills, I took admission in M.Voc. Banking and Finance with OJT in HDFC. With rigorous hard work and challenges during OJT, I finally got selected as a RRB -Teller in HDFC Bank Ltd. at the package of 3.18 lacs per annum. I am thankful to the University for providing the Dual Industry Integrated Model.

Mr. Moti Lal:

I am from a small district of Haryana and got admission in Diploma in Press Tool & Die Maintenance & Stamping. The “Earn While Learn” model of the University has helped me to earn income right away while learning workplace and life skills with the help of mentors and classroom training. I got placed through the campus interview as an Operator at Nagata India Pvt. Ltd. Now, I am working as an Associate with the same organization. I owe my success to SVSU, my friends and my parents for believing in me and always supporting me to build a great career for myself.

Mr. Pawan Kumar:

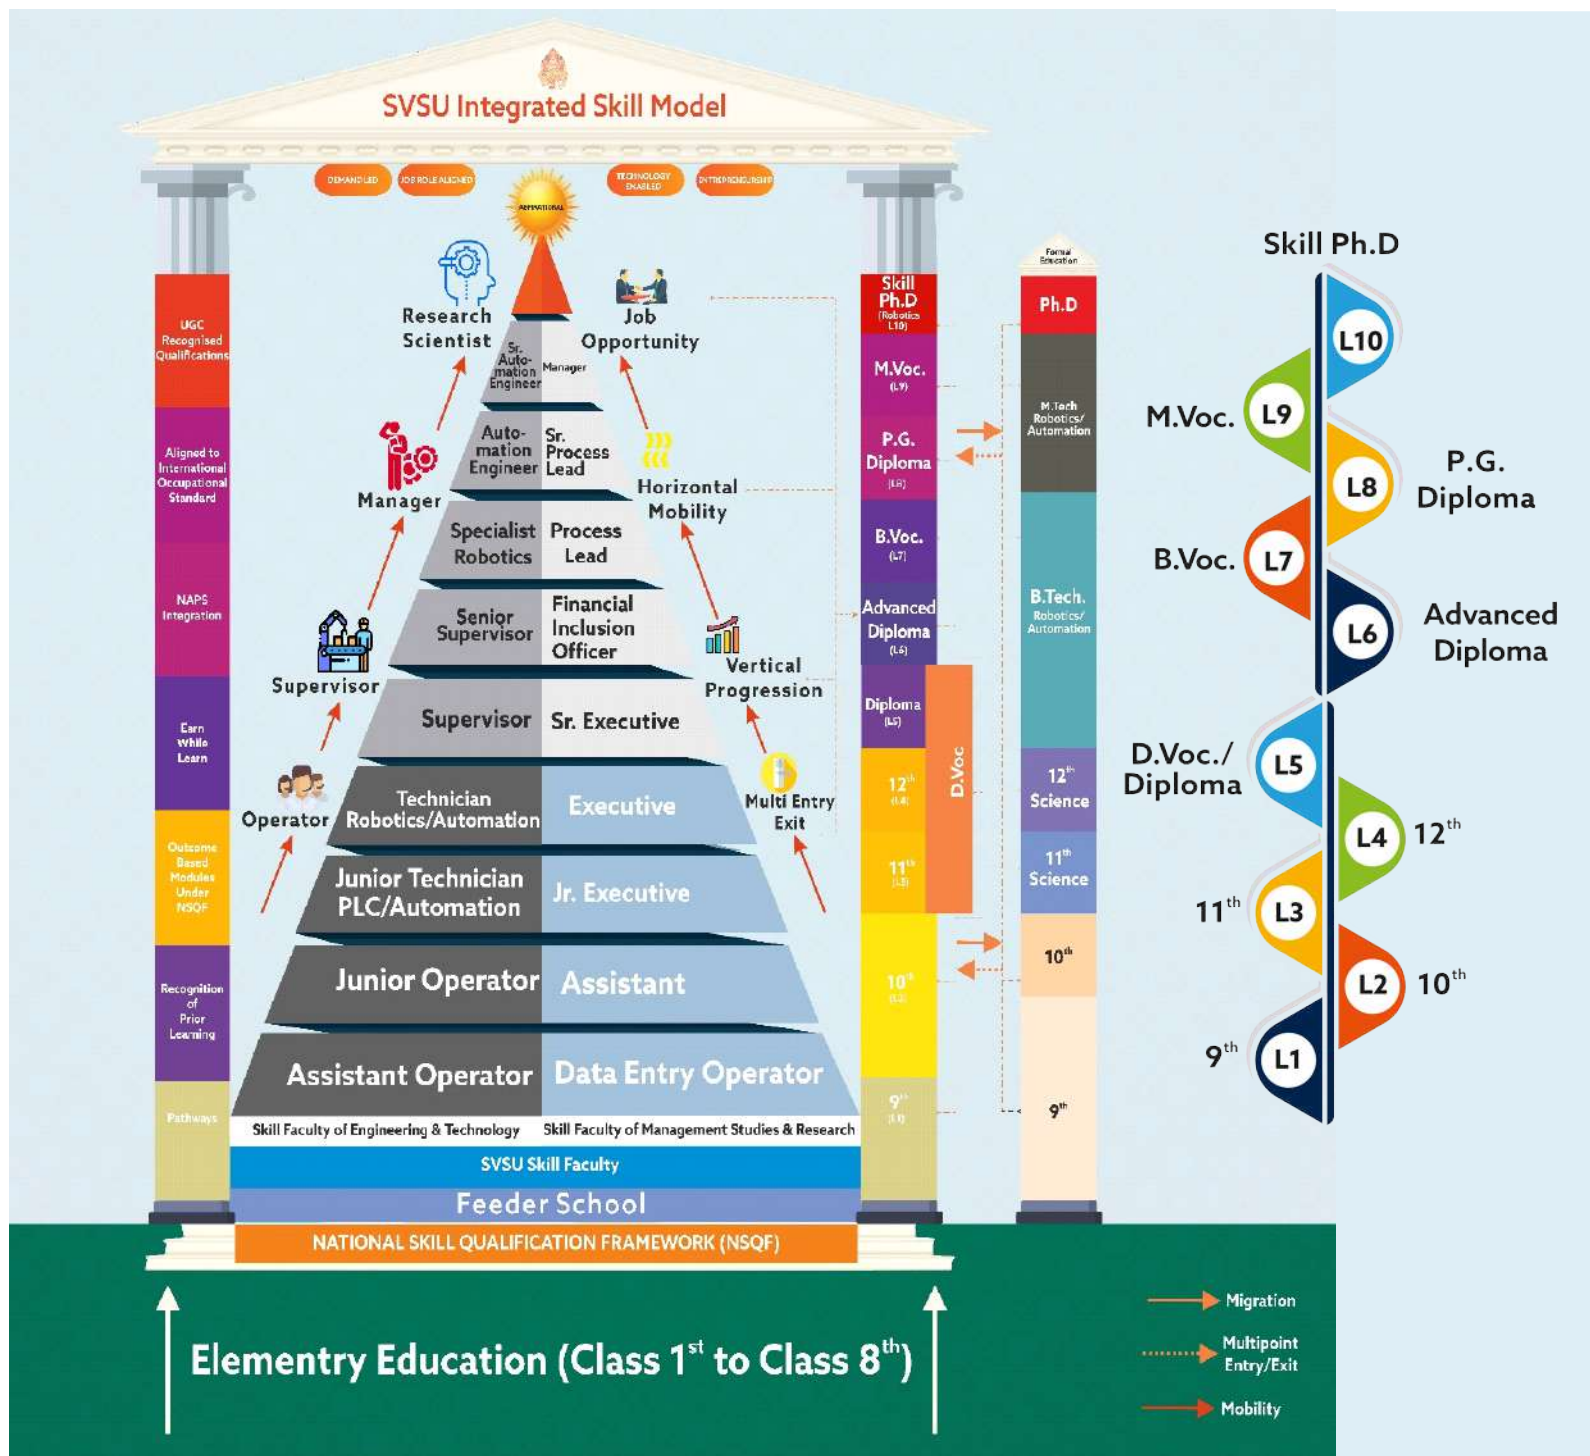

I am from a village named Banchari. The village literacy rate is 56.5%. With no industry around the people are either dependent on meager agricultural income or income through practicing Banchari Folk Art. It is evident that this skill or artwork does not have any organized industry in private or public life, where artists can straight way get employment. Due to severe economic constraints, access to quality education is denied to Banchari folk artists and their children. This in turn reduces them to an unskilled labour. I was losing my self-

respect and identity. But then I found a ray of light through Shri Vishwakarma Skill University where I opted for one-year diploma course in Banchari Folk Art with an aim to not only revive these art forms, but also to get them nationally and internationally recognized. During this course I learnt to play nagada as well as instruments like manjira, jhanjh, and used to do chorus singing. I was among the few artists who do the typical Banchari Folk Art dance. My dance skills were appreciated by everyone and soon my picture came on SVSU's main posters, which gave me a great amount of fame and confidence. I started getting good offers for conducting performances in huge programmes. The short exposure in SVSU to unskilled and semi-skilled artists from the general area of Banchari village, has brought in a qualitative change in my life.
